

## e.BRAMA – DRIVER'S CARD IN QR CODE

Have you lost or forgotten your Baltic Hub plastic driver card?  
Don't worry – you don't have to make a paid duplicate of it.

In the e.Brama mobile app you have access to **out of charge driver card in QR code**.

### How does it work?

1. Log in to e.Brama mobile app  
*If you don't remember your login or password, please contact our Call Center  
e.Brama phone: **+48 58 737 79 33** or e-mail: **e-brama@baltichub.com***
2. Select icon „DRIVER CARD”

3. Scan the generated QR code at the kiosk

**! Remember! At each self-service kiosk you need to generate a new QR code,  
all you must do is click refresh !**

**!! Remember! If you started by scanning the card with a QR code,  
use the card with a QR code at every next kiosk !!**
